A librarian returns books to the shelves. (Sarah A. Miller/Idaho Statesman/TNS)

# "Can I do this?"

- Is it technologically possible?
- Is it okay according to the rules of the system we work within?
- Is it allowed according to some set of laws that we can agree on?
- Is it ethical according to some set of ethics that we can agree on?
- Do I, the librarian, know how to do it?
- Could they, the patron, understand how to do it?
